

Cashmere®

FOR THE RICHEST, SMOOTHEST FINISH,
COUNT ON CASHMERE®.

INTERIOR ACRYLIC LATEX

LUXURIOUS AND ELEGANT FINISH. NOTHING LOOKS OR SPREADS AS SMOOTH AS CASHMERE®.

Many paints typically leave brush or roller marks – creating an uneven, stippled appearance. But not Cashmere Premium Interior Latex. This exclusive coating glides on buttery smooth and levels out... giving walls an elegant, silky rich look. The result is a difference you can definitely see and feel.

Available in a flat enamel and low or medium luster in a wide range of colors, Cashmere applies easily releasing from a brush or roller with limited drag. Best of all, its high-end satin-like finish is sure to impress your customers and lead to higher profits and more referrals.

CASHMERE KEY BENEFITS

- Provides ultra-smooth coverage that looks good from all angles.
- Unique, high-hiding buttery finish.
- Effortless application reduces fatigue and improves productivity.
- Scrubbable coating endures everyday use and allows for easy cleaning and maintenance.
- Perfect for showcase rooms and engineered especially for the residential repaint contractor.

Most paints leave roller marks or "stipple," creating a textured appearance.

CASHMERE goes on buttery smooth, and levels out, giving walls a smoother, richer finish.
